a. Such notice shall specify the date, time and place of the hearing, the purpose of the hearing, the nature of the alleged violation, the owner may be present and participate in the hearing individually and/or through counsel, the fact that if the Town does determine that there is a significant health, safety or welfare issue, that it may enter the property to correct the violation, and that all costs so incurred, including legal expenses, which will be assessed against the land on which such violation is located and shall be levied and collected in the same manner as provided in Article 15 of the Town Law for the levy and collection of a special ad valorem levy.

Town Board may authorize entry onto the property to do such remediation work and may charge all costs so incurred, including legal expenses, as a tax against the land.

2. In addition to all other penalties and remedies available to the Town under this section, the Town shall have the authority, upon resolution, to make an application at a special term of the Supreme Court in the judicial district in which such property is located for an order determining the violation to be a public nuisance, directing that it shall be repaired, secured or demolished and removed by either the owner or the Town and imposing a fine in accordance

with Section 7.
